

Mrs. Tibbils-Riley

Welcome to 1st Grade

Maya Angelo

I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel.

Greetings

It is a privilege to be working alongside your family this year! I hope you know that it is my objective, first and foremost to make every student feel valued in my class. With this foundation, I have faith that each student will make leaps and bounds this year! My goal is to collaborate with members of the Bryn Mawr community – this includes you and your student – to create a safe, nurturing environment where your student can thrive academically and socially. Every day, I will focus on the successes and cheer your student on!

I appreciate your willingness to keep me informed on the best ways to support your student this year. Thank you for including the best way to reach you – either a phone number or email address – so we can be in regular communication together about your student's progress.

I am happy to meet your family and only ask that you make an appointment ahead of time. Volunteers who have filled out the background check form are welcome to join us in the classroom. Thank you in advance for helping to provide snacks for the class. You can bring snack at any time.

Please visit our website for important information, the daily schedule, volunteer forms, our blog, academic resources, and my contact information.

I look forward to journeying with you and your student this year!
